DECK

- ▶ Our vision is to create a nationally known urban k-8 Center that produces leaders representative of all ages, races, nationalities, languages and cultures in education, a world class educational center that impacts the world starting with investing our most prized resources into our neighborhood/community. With the talent, sacrifice, and effort of all working together, as a team, this community and the world to which we impact will become a better place to live and work.
- ▶ Our school strives to be a racially and culturally diverse community of students, parents and staff, dedicated to creating a peaceful environment where each person is treated with unconditional positive regard and acceptance. Within such an environment, each student and professional, within these walls will be empowered and inspired to reach his or her full academic, emotional, physical and spiritual potential. Leisure City K-8 Center will not sleep until this work is done.
